

DoV Club's Rites of Passage

I am a daughter of virtue.

I am a daughter of beauty inside and out.

I am a daughter of peace and kindness.

I am a daughter of support to my sister if she needs me.

I am confident in myself.

I am a daughter who respects herself at all times.

I am moving from ordinary to extraordinary.

I am the change I want to see in the world.

Now go be a DoV and FLY!
